Residential Land

Vacant Land Opportunity in the Heart of Tallong

Imagine waking up to sweeping vistas that stretch as far as the eye can see, where the rolling hills meet endless sky and the only thing interrupting the peace is the gentle babble of Barbers Creek. This village-zoned 1951sq/m block offers the rare opportunity to build your dream from the ground up, quite literally.

Open for Inspection

By Appointment.

The land cleverly flattens at the summit, presenting an ideal building platform that captures those stunning elevated views whilst providing a practical foundation for your future home. With Barbers Creek across the road, adding natural charm and year-round interest to the property, you'll enjoy the unique privilege of having your own waterway—perfect for peaceful morning strolls and never being built out.

Location rarely gets better than this. Position yourself within easy reach of Tallong Station for convenient regional rail connections, whilst the local shop ensures you're never too far from life's essentials. Schools are close by too, making this an exceptionally family-friendly proposition for those seeking a tree-change without sacrificing practical amenities.

The village zoning opens doors to various possibilities, whether you're envisioning a grand family homestead, a weekend retreat, or perhaps an investment opportunity. This is more than just land; it's a canvas awaiting your vision, where country tranquility meets genuine convenience.

Ready to secure your own piece of Southern Tablelands? This is an affordable block for those wanting to get into the housing market and not forgetting that high school buses service Goulburn and Moss Vale. Top location : Endless choices
