House 4  2 

Your Fresh Start Awaits in a Sought-After Location

Set on a generous 1,400sqm allotment, this property is ready to welcome its new owners with nothing further to do. Perfectly positioned in a sought-after location, this beautifully updated home underwent a fresh makeover in 2024.

All four bedrooms feature brand new carpet, split-system air conditioning, and blinds. The master bedroom includes a walk-in robe and ensuite, while the remaining three bedrooms are complete with built-in robes. A well-appointed family bathroom with a separate toilet adds convenience for busy households.

The kitchen is equipped with a gas cooktop, oven, dishwasher, and ample storage space, complemented by new tiling that seamlessly flows into the dining area. A separate living room offers views of the sparkling pool, complete with built-in shelving, while an additional carpeted nook provides the perfect space for a study, reading corner, or kids' play area.

Entertaining is a breeze with two-way access from both the dining and living areas leading to the outdoor entertaining space overlooking the pool. Towards the back, there is even more room to enjoy, currently set up with a firepit — ideal for gatherings and watching the sunset.

Other standout features include solar panels, a water tank, and a double garage, making this property an attractive and practical choice for modern family living.
