BRAND NEW, TURNKEY & READY TO CALL HOME!

Modern Finishes, Quality Construction & Relaxed Island Living!

Step into a brand-new home where modern design, quality finishes and everyday practicality come together. Positioned towards the northern end of Russell Island, this beautifully presented three-bedroom, two-bathroom home with a double garage offers the perfect opportunity to enjoy island living without the wait of building.

Designed with comfort and functionality in mind, the home welcomes you with a spacious, light-filled open-plan living and dining area, complemented by warm timber-look flooring and a contemporary colour palette. At the heart of the home sits a striking kitchen featuring stone benchtops, rich timber cabinetry, sleek black fixtures and a generous island bench, creating a practical and inviting space for everyday living and entertaining.

The three bedrooms provide comfortable accommodation, while two modern bathrooms showcase stylish finishes, contemporary tiling and quality fittings. Thoughtful design continues throughout, with ceiling fans, excellent storage options and a fresh, modern feel.

Step outside to discover a covered outdoor entertaining area overlooking the fully fenced backyard, complete with established turf and a peaceful natural backdrop. Whether you're enjoying your morning coffee, entertaining friends or simply unwinding after a busy day, this private outdoor space is ready to be enjoyed.

Built by a QBCC-licensed builder and backed by applicable QBCC statutory warranties, this brand-new home offers added peace of mind. With a double garage, modern finishes and turnkey presentation, there's nothing left to do but move in and make it your own.

Conveniently located towards the northern end of Russell Island, you're just a short drive from the ferry terminal, local shops, school, cafes and other essential amenities, allowing you to enjoy the tranquillity of island life without sacrificing convenience.

Brand new, beautifully finished and ready for its first owners – why wait to build when you can move straight in?
