

6 Sovereign St, Iluka, NSW 2466

Under Contract

House 3  2 

Seize the opportunity!

Cute and compact, this retro beach shack has been home to many memories for the current owners but with the family grown it is time to move it on! Offering an incredible relaxed feel the home backs onto bushland and is positioned in a quiet street. The house itself is a very simple fibro cottage, light and airy, all one level and in very original condition. Think back to days of a more simplistic life, where you swam at the beach and played board games and cards at night.

Open for Inspection

By Appointment.

The residence houses 2 bedrooms, a bathroom and open plan kitchen/living/dining while out the back is an attached granny flat/3rd bedroom/bunk room with its own bathroom opening onto a large undercover entertainment area.

This is an idyllic hideaway that captures your imagination, it may appear relatively plain but the potential here is absolutely enormous! Contact Jodie on 0458 233 213 or Nick on 0478 194 703 to arrange your personal inspection.
