House 4 3 1

Be Spoilt and Indulge

This home has recently undergone a complete renovation with great attention to detail and a intuitive family friendly floor plan. Downstairs features a light and bright living space with spacious combined lounge/dining and a galley style kitchen with Miele appliances and top of the range finishes and fixtures leading to the rear covered entertaining deck and low maintenance gardens.

Open for Inspection

By Appointment.

The 4th bedroom, Queen sized with built in robe is located on the lower level next to a full bathroom perfect for guest accommodation or home office. The second and third queen sized bedrooms also boasting large built in robes.

The master suite with oversized walk in robe is complimented by a luxurious ensuite with rain shower, Italian fittings and fixtures, floor to ceiling stone tiling, night lighting and temperature controlled gas hot water.

A family bathroom with separate deep soaker bathtub, temperature control safety features and rainfall shower head is also located upstairs.

A single car garage has been cabled for use as a outdoor utility/games room/teenage retreat or home office and has additional space for a workshop or storage area.
