House 2 1 1 1

Bargain Price For The Position

This must be fantastic place to live as the owner built the house 50 years ago and has occupied it since then. Norton St is certainly one of the Ballina Island's most sought after addresses and why wouldn't it be being a wide tree lined street that ends at North Creek on one end and the Richmond River at the other. The property has been priced for a quick sale so don't miss this one.
