

60 Panorama Dr, Farmborough Heights, NSW 2526

Sold - 7/12/2012

House 3  1 

Worst House, Great Street - Drastically Reduced!

The owners have run out of steam with this renovation project so it is now a great opportunity for someone with determination and vision to take it over or rebuild and the bonus is, it's in an established suburb with large quality brick homes surrounding you. Take advantage and capitalise on this opportunity and either RIP DOWN or RENOVATE this home but don't miss out on the fabulous views.
