This beautifully conceived four-bedroom home showcases a clever design that seamlessly connects indoor living with the surrounding gardens. Large windows and carefully positioned living zones capture sunlight throughout the day while framing tranquil green views, creating a sense of calm, privacy and connection to nature.

The generous block size delivers exceptional versatility, with a large shed and dedicated workshop ideal for trades, storage, hobbies or additional projects—an increasingly rare offering in such a tightly held location.

Positioned just a short, level walk to the Tocumwal Golf Club, this property offers the perfect blend of lifestyle and convenience, whether you're seeking a refined permanent residence, a lifestyle upgrade or a high-quality regional retreat.

Key features include:

Architectural three-bedroom residence designed to maximise light and outlook

Expansive 1,966m² double block with established landscaped surrounds

Light-filled living areas with strong indoor–outdoor connection

Large shed and separate workshop providing outstanding functionality

Peaceful setting within walking distance to the Tocumwal Golf Club

Rare combination of space, design and lifestyle in a premium location
