# KITCHEN ESSENTIALS

Are you looking for a business you can just walk into and start running? Kitchen Essentials could be just the change you are looking for. A family run business, Kitchen Essentials opened in 2010 and is a well-established business in town; a true treasure trove of gifts and kitchen essentials.

**Open for Inspection**

By Appointment.

Ideally located in the main street of town, there is plenty of parking in the street and two large street front windows provide plenty of enticement for foot traffic to come on in and have a browse. Kitchen Essentials is renowned for their variety of stock and the shop is packed to the rafters with everything you could need or want in your kitchen and home.

Sitting on an approx. 1,012m2 block, there is plenty of room for stock, with the large shop and an onsite storage shed and parking at the rear of the shop; accessible by a driveway off the main street. This vibrant business is a one of a kind opportunity not to be missed.

The building and business are being sold together, including stock on hand. So, if this sounds like your next business opportunity, contact the friendly sales team at LJ Hooker Tully to arrange an inspection.
