The front balcony captures stunning ocean views, perfect for relaxing or entertaining, while the rear balcony enjoys elevated outlooks across the town and Wallis Lake.

The modern kitchen is centrally positioned and thoughtfully designed for everyday living, featuring stone benchtops, an electric cooktop, under bench oven and integrated dish drawer, all overlooking the main living space.

Both bedrooms are well sized and include built-in robes and ceiling fans, with direct access to the rear balcony, creating a private and airy retreat. Newly installed double glazed windows to the western/bedroom side of the unit further enhance comfort, helping to improve insulation and reduce external noise.

The unit is serviced by a well-appointed bathroom with a clean, modern finish, designed for both comfort and functionality. This is complemented by the added convenience of a second separate toilet, ideal for guests and everyday living.

Additional features include an internal laundry, excellent storage throughout and a substantial 30sqm tandem/double garage in the secure basement, offering approx. 2.2m entry height and 2.45m internal clearance, ideal for larger vehicles or additional storage.
