## HOT Price serious BANG for your BUCK

An immaculate near new residence with all the modern conveniences and a rural feel awaits your finishing touches to the grounds and garden. Expansive views over large open paddocks with the odd cow or two. This smart and modern dwelling with its natural tones and quality finishes is ready to furnish and start living your Highlands life.

**Open for Inspection**

By Appointment.

Centrally located kitchen with Caesar Stone benches and well appointed appliances  
Family room and dining flow to the undercover outdoor terrace overlooking the acreage beyond  
Off the generous entry hall is the formal lounge or media room with upgraded media package installed  
The bedrooms are all generous in size with double robes, the master suite having a larger than normal walk-in, generous ensuite and bathed in sunshine  
Ducted reverse cycle a/c, fully insulated + internal access from the double garage  
Town water, power and telephone available with a good sized water tank + envirocycle for grey water and waste

Down a quiet country lane and surrounded by rural acreage and quality dwellings on other 1 acre lots this pretty rendered home offers a view from every window and a level sun filled parcel of land. The post and rail fencing ensures a fully fenced block perfect for veggie gardens, cottage gardens and a pony or two. View by inspection or advertised open homes.
