## Living at the jetty...

One of the best places to live in Coffs Harbour situated at the heart of all the attractions that make the Jetty precinct so popular with locals and tourists alike.

The beach is your backyard and the choice of restaurants and coffee shops will keep you occupied for years.

Muttonbird Island is a great walk in the morning, whales pass by 3 months of the year...!

With all the attractions the position offers there is the comfort of this two bedroom unit on the top floor of the very attractive complex Pacific Marina.

Serviced by a lift this spacious unit is tiled in the living areas and carpet in the two generous bedrooms each with built-ins and each with its own bathroom.

The living area is bathed in natural light from the two balconies (east and west) and reflected in the white paint work. The large front balcony is a great spot for entertaining with views of the ocean and a leafy outlook down to one of the complexes swimming pools.
