Set on a uniquely deep block for the area, the home enjoys a generous entertaining terrace flowing out to a lovely garden, offering space to relax, entertain and let the kids run around, a rare find so close to the beach.

Adding to its long term appeal, the current owners have secured DA approval for second level additions along with a pool, transforming the home from three bedrooms and two bathrooms into a generous five bedroom, three bathroom family residence. A rare chance to put down roots and grow with the home for years to come. Full plans will be available to view at our open homes.

The driveway provides secure off street parking, while the location adds another layer of everyday ease, footsteps from the shops, cafes and restaurants of Bondi Rd, a short drive to Bondi Junction, and a lovely stroll to the sands of Bondi, Tamarama or Bronte beach whenever the mood takes you.

A rare chance to secure a home with genuine family longevity, in a location that only gets better with time.
