

62-64 The Oval Dr, Mount Nathan, QLD 4211

Offers Over \$2,550,000

Acreage 5 2 9

ACREAGE PERFECTION A NO-EXPENSE-SPARED LIFESTYLE PLUS YOUR O

Set across 6,905m² of private, usable acreage, this exceptional steel framed home represents a rare fusion of refined living and substantial infrastructure. Elevated by a beautiful outlook and comprehensively transformed throughout, the residence reflects a landmark investment in quality, performance and long-term sustainability.

Open for Inspection

By Appointment.

Every major upgrade has been completed.
Every system has been enhanced.
Every detail has been carefully considered.

The result is a turnkey acreage property offering scale, privacy and capability $\frac{1}{2}$ without compromise.

This is acreage living, elevated, with unlimited parking in front of home and shed, also a separate parking for caravan or build your own Granny flat if needed.

The Lifestyle

Privately positioned yet only 15 minutes to the M1, the estate achieves a rare balance $\frac{1}{2}$ peaceful seclusion with effortless connectivity.

The fully usable land provides flexibility seldom found at this level. Whether accommodating machinery, boats, caravans or operating a home-based enterprise, the infrastructure is already in place to support serious functionality $\frac{1}{2}$ without disturbing the beauty and calm.

The Residence $\frac{1}{2}$ Refined & Reimagined

From the moment you enter, the sense of quality is immediate.

Four generous bedrooms provide comfortable accommodation, anchored by a luxurious master retreat complete with double-vanity ensuite, two-person spa and spacious walk-in robe. Adjoining the master suite is a fully fitted gymnasium or executive home office, with potential for future self-contained studio conversion (STCA).

Multiple living zones create warmth and versatility, blending open plan entertaining with intimate family comfort.

Importantly, every major internal component has been replaced or upgraded $\frac{1}{2}$ including bathrooms, kitchen, laundry, flooring, window furnishings, plumbing, electrical systems, air-conditioning, solar infrastructure and pool.

This is not a cosmetic update $\frac{1}{2}$ it is a complete transformation.
