Recently renovated and beautifully presented, the apartment offers two generous bedrooms, including a master suite with walk-through robe, updated ensuite, and calming water views.

The light-filled open-plan living and dining area flows seamlessly to a private timber entertaining deck via sliding timber-framed doors, an ideal setting for morning coffee, relaxed BBQs, or unwinding as the sun reflects across the lagoon.

At the heart of the home, the modern kitchen is both stylish and practical, complete with quality appliances and a dishwasher, while two reverse-cycle air conditioners ensure year-round comfort.

Additional highlights include a single undercover carport, generous storage shed, and an outdoor shower, perfect for sandy feet after the beach.

Set within a secure, gated resort, residents enjoy an enviable lifestyle with access to large inground swimming pools, gymnasium, restaurants, bar-bistro and communal BBQ areas.

With the ocean within earshot, North Shore Patrolled Beach a short stroll away, and the Maroochy River close by, this location offers the perfect balance of tranquillity and coastal activity.
