As a bonus, we are throwing in a beautifully maintained, single level family home with multiple living areas and great sized bedrooms. All the usual extras you expect like stone topped kitchen, air conditioning, practical tiling through traffic areas and so much more.

Heart of the home beats around the open plan kitchen, dining and family room that flows straight to the very private covered entertaining area. Great level yard for the pets and kids with manicured gardens providing the perfect backdrop to relax.

Double garage with remote door and internal access plus the very rare opportunity of having side access available for any extra toys or vehicles.

Awesome family home, presented very well and bound to be popular!! Get along before you are disappointed, see you there!
