The property has plenty of potential, the lowest weatherboard residence also has a saltwater inground pool. The home has a front patio, access to the large lounge room which flows to the dining area and spacious family room.

The kitchen is all electric, with dishwasher and plenty of cupboards. There are 3 bedrooms and the main bathroom. Also, there is a utility room (with many uses). The large laundry has a 2nd shower and toilet. Off the family room there is a rear patio plus large undercover barbeque area which flows to the inground saltwater pool area plus fully fenced backyard with large lawn locker.

Throughout the home there is plenty of built-in storage, air conditioning and ceiling fans. Also, solar panels on the roof and wood heater in the living area.

In the 2022 Flood Event we have been advised that the flood came on the ground but not inside the home. Our vendor is keen to sell and very approachable. Phone Gerald on 0408 666 899 for your private inspection.
