Blue-Chip Investment In The Heart Of Bondi Junction

Featuring a prominent high-exposure setting, this 47sqm retail strata unit presents a rare opportunity to secure a high-yielding investment in the heart of Bondi Junction's rapidly developing retail precinct. Currently trading as an established high-end dry cleaner, the glass-fronted retail shop presents a standout opportunity for the investor or SMSF buyer with excellent rental yields and capital growth potential. One of only a handful of retail spaces in the landmark Trevilion building, the property presents a blue-chip portfolio addition with possible scope to occupy later or retain as a sound investment.
