## Live Above It All - Elevated, Updated & Effortless

Elevated Family Living with Modern Updates

Positioned to capture elevated views, this solid brick and tile home, built in the early 1990s, offers the perfect blend of quality construction and stylish modern updates.

Inside, you'll find a beautifully updated kitchen designed with both functionality and flair in mind, featuring contemporary finishes and ample storage. Both bathrooms have also been tastefully renovated, adding a fresh, modern touch while maintaining the home's warm and inviting feel.

Designed for comfortable family living, the spacious layout provides room for everyone to relax and unwind. Step outside to a private, fully fenced and secure backyard - ideal for children and pets - with low-maintenance landscaping so you can spend more time enjoying your home and less time working on it.

A quality family home in an elevated position with nothing left to do but move in and enjoy.
