Where Family Living Meets the Sunshine Coast Lifestyle

Beautifully presented and move-in ready, this four-bedroom home offers the perfect blend of comfort, convenience and low-maintenance living in one of Mountain Creek's most sought-after family neighbourhoods.

Whether you're raising a young family, looking for an easy-care home, downsizing or securing a quality investment, this is a property that offers far more than just a great floorplan. It offers a lifestyle.

Step inside and you will immediately appreciate the light-filled open-plan design where the kitchen, dining and living spaces come together to create the heart of the home. The modern kitchen is both stylish and practical, featuring stainless steel appliances, generous bench space and a breakfast bar overlooking the living area, making everyday family life and entertaining effortless.

Sliding doors open onto a private covered alfresco and low-maintenance backyard, offering just the right amount of outdoor space to enjoy a weekend barbecue, a quiet morning coffee or a safe place for children and pets to play without the upkeep of a larger block. What truly makes this home special is everything that surrounds it.

This is the kind of neighbourhood where kids still ride their bikes after school, neighbours know each other and families put down roots. Walk the children to highly regarded local schools, enjoy an evening stroll around the beautiful Brightwater Lake, meet friends for dinner at the Brightwater Hotel or grab your groceries from Aldi just minutes away. On weekends, Mooloolaba Beach and the Esplanade are only a short drive away, making the best of the Sunshine Coast part of your everyday lifestyle.

Homes in this tightly held pocket of Mountain Creek continue to be highly sought after because they offer something increasingly hard to find, a genuine sense of community combined with outstanding convenience.
