House 6 4 1

Views Beyond Compare

Built in 2004 and owned by the same family ever since, this exclusive home offers a rare opportunity to join one of the area's most sought-after cul-de-sac neighbourhoods. It holds one of the most exquisite outlooks in Desert Springs — the ranges, the golf course, and a pond where you'll spot the odd duck or kangaroo going about their day.

A formal entrance opens into two separate wings, perfect for dual living, with high-spec finishes carried throughout this beautifully maintained and much-loved home.

Right wing: Down the hallway are two generously sized bedrooms and a conveniently positioned bathroom. Beyond that, an open-plan living and dining area takes in panoramic backyard and range views, filling the home with natural light. The kitchen is equipped with gas cooktop, electric oven, dishwasher, built-in coffee machine and plenty of cupboard space.

Upstairs, a spacious home cinema room (or third bedroom) sits alongside a family room — ideal as a second living area for this wing, or a master retreat. The main bedroom is generously sized, with its own panoramic view of the ranges, and sliding doors out to a balcony where you can watch the ranges glow orange at sunrise and catch a picturesque sunset in the evening — the best of both worlds. Through the walk-in robe, the master ensuite is fitted with a shower, double basin, toilet and a jacuzzi spa.

Left wing: One bedroom and a bathroom make this the perfect space for guests or visiting family. Down the hallway, another open-plan living and dining area sits alongside a kitchen equipped with electric cooktop, oven, dishwasher and generous storage. Upstairs is a second living area — ideal as another master retreat, or a quiet reading room — beside a bedroom with a walk-in robe leading to an ensuite with shower, bathtub, basin and toilet. This upper level also has its own access to the balcony.

Outdoors: Sliding doors from both downstairs living rooms open onto a covered patio, perfect for entertaining. A sparkling saltwater pool is ready for the warmer months ahead, and the lush lawn gives the whole family room to enjoy the outdoors. The garage is positioned with rear driveway access straight out to the golf course — ideal for starting your weekend morning right.

Also featuring a carport, reverse-cycle air conditioning throughout for year-round heating and cooling, and direct access to the 10th hole, with close proximity to the Alice Springs Golf Club.
