Welcoming you into the home, vinyl flooring flows from the front door into the open plan living/dining/kitchen area, providing both a functional and low maintenance environment. Filled with natural lighting, the kitchen features gas cooktops, stone top benching, and a walk-in pantry creating a space perfect for easy meal preparation. Featuring five bedrooms, this home has been planned with families in mind. Two bedrooms are found at the front of the home, both featuring built in robes, plantation shutters and one with carpeted flooring, combining comfort, privacy, and convenience. Both are serviced by a central bathroom. At the rear of the home, a further two carpeted bedrooms with built in robes and are serviced by a second bathroom, whilst the master suit includes both a walk-in robe and private ensuite. Year-round comfort is ensured; the home being equipped with both ceiling fans and reverse cycle air-conditioning combats both the hot and cold weather.

Outside, the home features a double lock up garage with internal access into the kitchen, perfect for unloading groceries. Side access to the back yard creates flexibility for off street parking and storage, while fully turfed yards provide the perfect space for kids to play.

Whether you're looking for some more space for the family, or looking to acquire a high-quality investment property, this brand-new home could be perfect for you!
