Step inside to a bright, open-plan layout where the air-conditioned living room flows naturally into the dining room and kitchen. The kitchen is beautifully maintained and features a built-in pantry, dishwasher, and ample bench space, ideal for family meals or weekend get-togethers.

Off the living area, an enclosed Queenslander room and adjacent covered alfresco area provide year-round enjoyment. Savour morning coffees or host evening BBQs while soaking up your private backyard surroundings.

Three generous bedrooms share a well-kept bathroom, and two include ceiling fans for extra comfort. A remote lock-up double garage offers internal access from the house to the garage as well as drive-through space perfect for cars, trailers, or a small boat. A large garden shed supplies secure storage for tools and outdoor gear.
