The conventional floorplan offers 3 bedrooms with built-in robes, a new kitchen with stone benchtops, dishwasher, and breakfast bar, an open plan living room with ceramic tiled flooring and split system A/C and there is a fresh modern bathroom.

There is convenient internal access from the attached single garage with laundry, and a handy detached 8m x 7m colorbond workshop with roller door.

A private covered entertainment area off the rear of the home, along with a generous and easy care yard with rear lane access completes the picture.

Would be a perfect option for a young family.

\* Mt Victoria Pass is temporarily closed, however Lithgow is still accessible from Sydney and the Blue Mountains via the Darling Causeway diversion from the Great Western Highway and alternatively the Bells Line of Road.

Allow an extra 20 minutes travel time.
