Sold - 4/02/2026

House 5  2 

## Room to Move, Space to Grow

Set in a quiet cul-de-sac, this solid four-bedroom home with a dedicated media room (easily a fifth bedroom) offers simple living on a generous 792sqm block.

The layout is practical and family-friendly, with multiple living zones that give everyone their own space. The media room is perfect for movie nights, a home office, or extra accommodation as your needs change.

Outside is where this property really shines. The large block offers excellent side access-ideal for a shed, boat, caravan or trailer-with plenty of room left over for kids, pets or future plans. Whether you're dreaming of a workshop, veggie garden or just more backyard breathing space, this block delivers.

Located in a peaceful pocket of South West Rocks, yet still within easy reach of schools, shops and beaches, this is a home that suits families, downsizers wanting space, or investors looking for a well-positioned property with potential.

A straightforward home with big block benefits and room to make it your own-7 Kallantina Place is ready for its next chapter.
