## Hidden Agenda

Almost hidden. Tucked away on a little bend in Liddle Court with a long driveway and lots of personality.

This solid brick, red clay brick home has had a classic renovation from top to toe. Expansive, open plan living takes your attention as soon as the front door is opened.

Quality, floating timber flooring has been laid throughout the home offering a very smart look as well as easy care cleaning and maintenance.

The fully redesigned all-white kitchen is not only practical but a smart addition to the refurbishment. The island, entertainer breakfast bar has an electric cooktop and under bench oven built in, while the sink and dishwasher are located with a view from the kitchen window. Stack while you pack! Lots of overhead cabinetry and kitchen drawers add to the convenience.

All three bedrooms are generous in size and offer built-in robes, quality drapes and blinds and neutral d&acute;cor. In sync with the kitchen, the all-white bathroom has a complete designer makeover including a glass shower screen and elegant tiling. Even the toilet has a shine!

The outdoors are a treat. There is a fully fenced above ground spa, covered outdoor entertaining and landscaped and reticulated lawns and gardens. Perfect.
