

7 Mack St, Moss Vale, NSW 2577

Sold - 11/05/2024

House  

AUCTION 11TH OF MAY ON SITE!

This prime development opportunity in Moss Vale offers an ideal canvas for your next project. With a generous 1012m² R3 zoned site, the potential for development is limitless. Here are some key features to consider: The property currently features a three-bedroom, one-bathroom dwelling.

Convenient Location: Situated in the heart of Moss Vale, the property boasts close proximity to the train station, offering easy commuting options for residents. This accessibility enhances the property's appeal and adds to its investment potential.

Nearby Schools: Families will appreciate the property's proximity to schools, making it an attractive option for those with children or individuals seeking convenience in education facilities.

Access to Amenities: With convenient access to shops, residents can enjoy the convenience of nearby retail and services, enhancing the property's desirability and lifestyle appeal.

Development Potential: The R3 zoning designation provides flexibility for development opportunities, allowing for the construction of multi-dwelling housing, subject to local council regulations. Buyers can explore various development options to maximize the site's potential and capitalize on its prime location.

Whether you're looking to renovate the existing dwelling, subdivide the land, or embark on a larger-scale development project, this property offers a rare opportunity to unlock the full potential of the Moss Vale market. Don't miss out on this exceptional chance to create something truly remarkable in this thriving community.
