House 3  1  2 

Investor Special

This home would rent for \$290 - \$310 in its current condition – a mini makeover may enhance that return. Located in a quiet street with lovely stable neighbours, this is a great home on a great size block. One owner since new, this home has been perfectly maintained. There are 3 bedrooms – 2 of them very big and the 3rd has a built-in robe. The original kitchen has lots of potential and the living area is heated by gas. The owner is very keen to move due to ill health.
