Spacious & Peaceful Living in Highly Sought-After Rees Close

Welcome to one of the largest home in Rees Close - a beautifully maintained and private retreat that perfectly combines comfort, space, and convenience.

Featuring two generous bedrooms and a well-appointed main bathroom, this home has been designed with functionality and relaxation in mind. The expansive loungeroom and dining area provide plenty of room for entertaining or quiet evenings at home, while the stylish kitchen offers an abundance of bench and cupboard space, complemented by beautiful wooden cabinetry that adds warmth and character.

Enjoy year-round comfort with ducted heating and split system cooling, with ceiling fans throughout and bask in natural light through large floor-to-ceiling windows that capture the sunshine and garden views. New awnings on select windows add a fresh touch and extra comfort.

Outdoors, you'll find a peaceful grassed yard perfect for relaxation, plus a private rear courtyard - ideal for morning coffee or evening gatherings. The manicured, low-maintenance gardens make upkeep effortless, while the single garage with internal access adds convenience and security.

Nestled in the quietest part of Rees Close, this home offers plenty of parking for guests and to the left of the home is a second designated parking space for this property, and not to mention an unbeatable location - just steps from the local medical centre and lawn bowls club, and only moments to freeway access.

This property represents rare, sought-after living in a peaceful and private pocket - an immaculate home that truly has it all.
