Beautifully presented and tiled throughout, the home offers four bedrooms, two bathrooms and multiple living areas. The spacious main living room connects seamlessly with the kitchen and enjoys a lovely outlook across the pool and outdoor entertaining area. Well equipped for family life, the kitchen features a five-burner gas cooktop, Bosch oven, dishwasher and excellent storage.

Privately positioned at one end of the home, the oversized master suite creates a true parents' retreat. This impressive master wing includes a large walk-in robe and spacious open-plan ensuite with double vanity, offering excellent separation from the remaining three bedrooms, all of which feature built-in robes.

A versatile second living area adjoining the laundry is currently used as an additional bedroom but could easily serve as a family room, media space, home office or guest retreat.

Outside is where this property truly comes alive. A heated, saltwater in-ground pool takes centre stage, its sparkling water framed by an expansive decked entertaining area and stylish gazebo. Designed for effortless outdoor living, this inviting retreat is ideal for relaxed barbecues, weekend gatherings and memorable summer days with family and friends.

The beautifully manicured front gardens create a welcoming first impression, while established vegetable gardens add charm and practicality to the backyard.

For boating enthusiasts, tradies or families with multiple vehicles, the storage and access are exceptional. Dual side access provides secure parking on both sides of the property, including remote-gated access to the large powered shed. Featuring an extra-height 2.6-metre door and mezzanine storage, the shed is perfectly suited to a large boat, workshop or additional vehicle storage. Extensive off-street parking provides even more room for cars, trailers and recreational equipment.

Additional features include a substantial 13.2kW solar system with 32 panels, split-system air-conditioning to the main living area, master bedroom and an additional bedroom, new blinds and excellent internal storage.

Offering a rare combination of family comfort, poolside entertaining and serious storage on a large corner allotment, 7 Rosella Street is a property designed to accommodate every part of your lifestyle.
