Designed for growing families, the split-level home provides generous living zones both inside and out. Upstairs, an open plan kitchen, dining and lounge area forms the heart of the home, complemented by a well-appointed modern kitchen with stainless steel appliances, dishwasher, breakfast bar and excellent storage. The master bedroom features a walk-in robe and ensuite, while a sunny private verandah as well as a second bedroom with built-in robe complete this level.

Downstairs is ideal for teenagers or extended family, with a spacious second living area perfect as a retreat, media or games room. Three additional bedrooms (all with built-ins), a main bathroom with separate w/c, the internal laundry, and a large entertaining deck overlooking and leading down to the backyard enhance the home's versatility.

Outdoors, the expansive grounds are a true highlight - peaceful, private, and full of potential, whether it's space for kids to roam, gardens to enjoy, or even a pony.

Additional features include abundant under-house storage ideal for tradies or hobbyists, a double lock-up garage, landscaped surrounds, and reverse cycle air conditioning for year-round comfort.

Set in a quiet cul-de-sac close to schools and transport, this hidden gem delivers a relaxed, semi-rural feel without sacrificing convenience.
