The king-sized main bedroom is a true retreat, featuring a walk-in robe, a sleek ensuite with an LED mirror, ceiling fan and a 2.5kw Panasonic split system air conditioner, creating a comfortable and private space year-round. Two additional bedrooms are generously sized, each fitted with sliding robes and ceiling fans, and are serviced by the family bathroom complete with both bath and shower, ideal for families or guests.

At the front of the home, the separate lounge provides a cosy yet flexible space, perfect for quiet evenings, a media room or a second living area. Moving through the home, the open plan living and dining zone forms the heart of the property, offering a welcoming environment for everyday living and entertaining. This space includes a gas point and a powerful 7.1kw Fujitsu split system air conditioner, ensuring comfort through all seasons, and flows effortlessly into the dining area and kitchen.

The kitchen is both stylish and functional, well equipped with a gas cooktop, rangehood, electric oven and a Fisher & Paykel dishwasher. Ample bench space and storage make it ideal for busy households, while its central position allows you to stay connected with family and guests. A sliding linen closet adds valuable storage, and the laundry is thoughtfully designed with a storage cabinet, additional cupboard space and a laundry sink.

Step outside to the alfresco area, which is perfect for entertaining or relaxing, complete with a ceiling fan and downlights that mirror the modern interior. The backyard has been designed for ease and enjoyment, featuring low-maintenance gardens, a raised garden bed, double door gate entry and excellent lighting with four outdoor twin spotlights around the perimeter. Two up-and-down sensor lights at the front enhance both street appeal and security.

Additional features include downlights throughout the home and alfresco, ceiling fans in every bedroom, a double garage with internal access, storage shelving and rear yard access, a front door security screen with video doorbell, a 6.6kw solar system to help reduce energy costs, and a gas hot water system. Combining modern comforts, thoughtful extras and a practical floorplan, this home offers an outstanding lifestyle opportunity in a sought-after Ridgewood location.
