Inside, the home offers four well-sized bedrooms and two nicely renovated bathrooms, combining modern comfort with warm, inviting character. The air-conditioned living area keeps things comfortable year-round, while ceiling fans throughout provide excellent airflow across the home.

The former garage has been thoughtfully converted into a spacious rumpus / pool room, creating the perfect space for entertaining friends, relaxing with family, or setting up the ultimate games room.

Step outside and the magic really begins. The sparkling swimming pool is surrounded by lush tropical vibes and complemented by two authentic Bali huts, creating multiple spaces to unwind, entertain or simply escape with a drink in hand. Whether it's weekend BBQs, poolside gatherings or quiet evenings, this backyard is built for lifestyle.

Practicality hasn't been forgotten either, with a double carport and additional space for a caravan or boat, making it ideal for those who love to travel or need extra parking.
