Where Space, Comfort, and Style Come Together

Sajad Ahmadyar is proud to present this property to the market.

From the moment you arrive at 76 Westgrove Drive, you can sense this is more than just a home - it's a lifestyle designed for families who value comfort, space, and modern living.

Step through the grand double-door entrance, and you're immediately welcomed by a sense of openness and warmth. The high ceilings and expansive open-plan living and dining area create a beautiful flow, connecting the family together while still giving everyone their own space to unwind.

To the side, the private theatre room offers the perfect spot for cosy movie nights, while a separate study provides the ideal work-from-home setup - or could easily become a fifth bedroom for growing families or guests.

The master suite is a true retreat, featuring his and hers walk-in robes and a luxurious ensuite with a spa bath - your own private sanctuary at the end of a long day.

The clever design continues with the fourth bedroom having direct access to a bathroom, perfect for teenagers or extended family.

Practicality meets elegance with tiles through the main living areas, soft carpet in the bedrooms, and a double garage with rear access for extra convenience.

Outside, the brick fencing ensures privacy, while the low-maintenance garden and garden shed make life simple - so you can spend more time enjoying and less time maintaining.

Whether you're entertaining, relaxing, or working from home, this property adapts beautifully to your lifestyle.
