Positioned on an expansive corner block with beautiful water views, this impressive four-bedroom home has been designed to make the most of relaxed coastal living and year-round entertaining.

From the moment you arrive, the beautifully landscaped surrounds and grand entrance create a wonderful sense of space. Inside, the home combines modern comfort with plenty of character, with generous living areas, air-conditioning and ceiling fans throughout.

At the heart of the home is the stylish modern kitchen, complete with stone benchtops, ample storage, a 900mm gas cooktop and electric oven. The kitchen connects effortlessly with the spacious open-plan living area, while a fireplace creates a cosy atmosphere during the cooler months.

One of the standout features of this home is the way the bedrooms connect directly to the central outdoor entertaining and pool area. All four bedrooms are generously sized, while the master suite is complemented by a beautifully finished private ensuite.

A dedicated media room provides an additional living space, perfect for movie nights, a home office or simply somewhere to relax away from the main living area.
