Townhouse 3  2  1 

Available Now

Within walking distance of the new Springvale Mega Centre and opposite the Springvale South Medical Centre is a prime location for a family home.

Comprising three air-conditioned bedrooms, master with ensuite and WIR and the family bathroom upstairs providing a quiet retreat for family members. The airconditioned L-shaped open plan ground floor offers a large room with the Kitchen off to one side at the far end. This design puts the kitchen out of view while providing plenty of open space for the family lounge and dining area. Double glass doors in the lounge open to a deck and courtyard where the family can relax outside. The kitchen offers good storage, stone bench tops and windows on two sides for good natural light including one overlooking the courtyard. Opposite the kitchen you'll find the laundry and a separate powder room for guests and family as well as a door to the single garage. With efficient design, well-proportioned rooms and convenient locations make this a good family home an investment opportunity.
