The practical floorplan features two generously sized bedrooms, with the main bedroom complete with a wall-length mirrored built-in wardrobe. A tiled living and dining area adjoins the functional kitchen, offering ample cupboard and storage space, a freestanding gas oven and rangehood.

The centrally positioned bathroom includes a separate shower and bathtub, while an internal laundry with additional storage and a hallway linen closet provide further everyday convenience.

Flowing directly from the living area is a covered alfresco entertaining space, opening onto a private paved courtyard with low-maintenance garden beds, ideal for relaxing or entertaining without the upkeep of a large yard.

Additional features include internal access from the single garage, affordable strata fees and a quiet position towards the rear of the complex.

An excellent opportunity for first home buyers, downsizers or investors seeking an easy-care property in a central location.
