Apartment 1  1 

Light-Filled Top-Floor Sanctuary in the Heart of Paddington

Perched on the top floor, this bright and private one-bedroom unit offers a genuine sense of sanctuary in one of Paddington's most sought-after pockets.

Flooded with natural light throughout, the apartment feels open and airy, with a quiet, elevated position that adds to its peaceful, private feel. It's a home that offers real everyday comfort without compromising on location. Adding to the appeal is a dedicated parking space, in a location where that doesn't come around often.

With Moore Park's green space on one side and Oxford Street's cafes, shops, and transport on the other, this is a location that's hard to beat. Whether you're a first home buyer after a private, light-filled retreat to call your own, or an investor looking to secure a well-positioned asset in a tightly held market, this apartment ticks every box.
