This magnificent home sits on a desirable large block of land in one of Alstonville's premium estates 'Panorama Park' and positioned in a quiet cul-de-sac with a north east aspect to the rear and reserve to one side.

The home has been designed with thought and care allowing for a great use of space light and freedom, with high ceilings and spacious rooms. It is of quality construction and beautifully appointed throughout. No expense has been spared to provide the very best inclusions.
