Step into a world of possibilities with this unique property offering not just one, but two expansive 645m<sup>2</sup> titles, giving you an impressive total of 1,290m<sup>2</sup> to play with. Nestled in a quiet, convenient location, this highset timber and brick home is brimming with retro charm and untapped potential. With a little TLC, it could truly shine.

Upstairs, you'll find an air-conditioned, open-plan lounge and dining area that's as inviting as it is functional. Picture yourself cosying up by the wood heater in winter or sliding the doors open to the outdoor entertainment space in summer.

The generously sized kitchen has an abundance of bench and cupboard space, perfect for cooking up a storm. Three spacious, carpeted bedrooms, an office and a bathroom with a separate bath, shower and toilet round out the top level.

Downstairs, the double rumpus room brings the fun, complete with a built-in bar-ideal for entertaining or a teenagers' retreat. Internal stairs make it easy to flow between the levels, while the internal laundry keeps things practical.

Outside, this property keeps on giving. The main block features a concrete driveway leading to a single garage, a double carport and a workshop/storage area with room for all your tools, hobbies and toys. Meanwhile, the second block is a haven for the hobbyist or tradesperson, boasting a massive double shed with opportunities to create your dream outdoor space.
