The LoveShack, that's where it's at!

A not so little place where your friends & fam can get together.

For more than 20 years this home has created many fond families vacation memories for the lovely owners – who would now like to share their little piece of paradise with you and yours.

Sea, Scrub & Hills. You can have it all! Only four doors down on the left is the renowned Silver Sands Beach & brand-new Surf Life Saving Club. On your right? Totally uninterrupted views of the Blue Lagoon Washpool and Willunga Ranges. The Aldinga Scrub is also just on the other side of the road. You really couldn't pick a better spot.

Simply made for gathering loved ones, the home itself is quite the entertainer. Wrap around balcony, open plan living, large grounds – you're spoilt for choice.

Two living rooms means no arguments over the TV channel (although peeling your eyes off the view may prove a challenge) and two bathrooms makes getting ready a breeze. Each bedroom has a built-in wardrobe and there are plenty of games & books. Fortunately, unlike the B-52s Love Shack, this one has ducted cooling & plenty of ceiling fans, so it won't feel 'as hot as an oven' come Summer. You really will have everything you need for an enjoyable holiday.
