\$350,000 - \$380,000

Residential Land

Build Your Dream Home with Views to Match

Set proudly at the end of a quiet court in the established Jacksons View Estate, Drouin, this impressive 650m² (approx.) allotment presents a fantastic opportunity to create your dream home in a highly sought-after setting.

Elevated and beautifully positioned, the block enjoys stunning views towards the mountains of Bunyip State Forest.

The hard work has already started, with the front retaining wall completed and finished with an attractive feature rock wall, adding character to the street presence and saving you time and expense when it comes to building.

Located close to Drouin township and surrounded by established homes, this is an opportunity to secure land where you already know what you're moving into. Enjoy the benefits of an established neighbourhood, convenient access to local amenities and a peaceful court location, all while creating a home designed specifically around your lifestyle and the views.
