House 4 2

## 41 Squares of Luxury

Big and beautiful, this home is the ultimate entertainer. The wide front door gives you a clue as to the proportions of this home, leading you to a wide easy care tiled hallway which usher you throughout the home. The gorgeous kitchen, with its Caesar stone work top and vibrant red splashback is the centre and is accessible from all three living areas. The outdoor living area is just as stylish with big undercover areas that wrap around the home. Bigger than average double garage and rear yard access complete this stunning package.
