

82 Hospital Rd, Bulli, NSW 2516

Sold - 14/04/2012

House 3  2  1 

Tranquility

With a heightened sense of seclusion and privacy, this sun filled residence offers original style interiors and brick construction. The home is peacefully set within walking distance to all local town conveniences and lies at the foot of the tranquil escarpment.

- Living room features open plan modern design
- Light filled separate sun room or multi-purpose room
- All three double bedrooms are large with high ceilings
- Internal laundry, retro bathroom plus kitchen
- Tree lined street with large rumpus or extra living
- Rare opportunity for those seeking an affordable entry point
- Premium opening for a young family, renovators
- Large single lock-up garage, additional off street parking
