## THE HARRISON RESTAURANT

This restaurant has been operating very successfully for the last 3 years in its present format with the building being utilised as a restaurant for the last 25 years.

The present owners are taking a break and offering their business for sale together with plant, equipment and goodwill. All plant/equipment is near new and the building was extensively renovated also 3 years ago..

This is your ideal opportunity to take advantage of the buoyant Orange economy and the vast potential of a trading increase for new operators. A definite trading potential is the ability to utilise the open air dining on the verandahs and rear courtyard which is fully licensed for this purpose.
