Crafted with a 'no expense spared' philosophy, this home challenges every perception of terrace living. Behind its striking facade lies a residence of remarkable scale and sophistication, cleverly designed to maximise a 6.6m frontage while delivering expansive, multi-zoned living.

From the moment you step inside, you are immersed in a world of refined elegance. Soaring 3-metre ceilings and polished concrete flooring to the lower level create a bold, contemporary aesthetic, while thoughtfully curated finishes and intelligent spatial design ensure both comfort and functionality.

At its heart, the open-plan living and dining domain flows seamlessly to a rear entertainer's alfresco, designed for hosting on any scale. Whether it's intimate gatherings or vibrant celebrations, this home effortlessly caters to every occasion.

True to its name, The Keystone Entertainer is defined by its exceptional lifestyle features. A stunning swimming pool. Custom-designed wine display walls and a built-in wine fridge further elevate the entertaining experience, offering a level of luxury rarely seen in terrace homes.

Upstairs, the master suite serves as a private sanctuary, complete with a walk-in robe, designer ensuite and its own balcony, perfect for unwinding in style. Additional living zones provide flexibility for families, guests or work-from-home arrangements, while optional configurations allow for further customisation, including dual key or four-bedroom layouts.

As an ex-display home, every element has been carefully considered and executed to the highest standard, showcasing premium upgrades and impeccable attention to detail throughout.

This is more than a home, it is a statement of lifestyle, sophistication and innovation, all within one of the Sunshine Coast's most desirable master-planned communities.
