Light-filled interiors are enhanced by a desirable northerly aspect, with a considered floorplan offering multiple spaces to come together or retreat. Separate living and dining areas are complemented by a formal lounge with fireplace, while the contemporary kitchen sits at the heart of the home with stainless steel appliances, gas cooking and a generous breakfast bar.

Designed with entertaining in mind, the home opens to an expansive covered deck where with the potential for an in-built outdoor kitchen and six-seat jacuzzi create a superb setting for long lunches, summer evenings and relaxed weekends at home, all while taking in the elevated coastal outlook.

Accommodation is generous and versatile, with well-proportioned bedrooms complemented by a guest room or home office and a dedicated yoga retreat. Adding another dimension to the property is the self-contained two-bedroom granny flat with its own private patio, providing genuine separation for extended family, guests or those seeking flexible additional accommodation.

Finished with beautifully appointed bathrooms, excellent storage, air conditioning, ceiling fans and solar hot water, the home is further complemented by an automatic double garage and additional off-street parking.

Set within walking distance of Wamberal Beach, village shops, cafés and local eateries, and only a short drive from Erina Fair and a selection of quality schools, this is a home that brings together space, flexibility and the relaxed coastal lifestyle Wamberal is renowned for.
