At the heart of the home is the spacious open-plan living and dining area, enhanced by raked ceilings that create a sense of space and light. Large stacker doors seamlessly connect the indoor living zone to the covered patio, making it perfect for entertaining or enjoying indoor & outdoor living year-round. Vinyl flooring and air-conditioning ensure both style and comfort throughout this central space.

The home offers four well-proportioned bedrooms, all fitted with ceiling fans and built-in robes. The master suite is a true retreat, featuring a walk-in robe and a private ensuite with a double vanity. The main bathroom services the remaining bedrooms and includes a bathtub, ideal for families.

Additional features include a study nook with a built-in desk, a well-equipped kitchen with electric cooktop and walk-in pantry, a separate laundry with side access, and two air-conditioning units located in the living area and master bedroom. Completing the package is a secure double garage and a covered outdoor patio with a timber deck, making this home as practical as it is inviting. Low maintenance backyard.
