House 3  2  1 

WANERA

Fully renovated three-bedroom beach house with a single lock-up garage, which is centrally located, providing a flat level walk to village CBD and beaches. The property was renovated with the "beach house" vibe in mind and translates into an open plan house with an emphasis on outdoor living.

The property boasts three bedrooms, one with veranda access. Modern bathroom with shower over bath. Lounge room with combustion heater. Great new open island style kitchen with gas cook top, separate wall oven, dishwasher and granite benchtops. This area then opens out onto the huge covered outdoor entertainment area which has been fitted with louver outdoor blinds which can be closed off so the space can be used in all elements. The property has recycled hardwood flooring throughout from the original house.

The tenant has no use of the garage (Owners storage) but you are able to access the laundry in the garage and the second shower and toilet. Secure off street parking for three vehicles, combustion heating, gas cooktop, fully fenced, central location and the beach house theme.
