By Appointment.

Situated in one of Avalon's most secluded spots, it's surrounded by nature. You can enjoy real peace and quiet here - yet it's only a 5 minute drive to all that Avalon has to offer.

Well laid out and split level in design, the walls are timber lined and there are high ceilings throughout. All the bedrooms are good sized and well spaced, and every room throughout the house includes original mid-century features. Every window showcases the lovely leafy surrounds.

There are separate living areas throughout and a dedicated dining zone. The home faces north and the sun pours in across a generous entertaining deck.

Features include:

- * Classic mid-century design in good condition
- * Open plan with a versatile layout; multiple living areas + sunroom
- * North-facing entertaining deck with filtered views through the trees
- * Neat and tidy kitchen with timber bench top and walk-in pantry
- * Good sized bedrooms on upper level; bathroom with separate w/c
- * Wood burning fireplace, carport, off street parking for two cars
- * Pets considered upon application
